Class of 1954

**Our** ALMA MATER

**forever to be.**

We, the 1955 Mustang staff feel that there is one person, above everyone else, who deserves appreciation, for she has contributed something lasting to Myers Park High School. She has given the school and the students an outstanding yearbook which is filled with lasting memories.

It took many long, tiresome hours to put together what you see in the following pages; many hours spent outside of our regular fourth period—into the lunch hour, into the late afternoon, and even into the night. There was always something to be done, and she was always there to help do it. Only through her knowledge and patience to share that knowledge, are we able to present to you this 1955 yearbook.

Everyone who comes in contact with her is immediately aware of a warm and cheerful personality. However, we, the Mustang Staff, feel a special closeness to her. We know that she has helped every student at Myers Park High School, either directly or indirectly, by assisting us in producing an outstanding annual.

In appreciation for her guidance and understanding throughout the year, we dedicate this fourth volume of the Mustang to our advisor and friend, Elizabeth Curry.

"Writing captions, one of the many ways Miss Curry has helped the Mustang Staff."

## Dr. Elmer H. Garinger

When the students enter the new buildings this year they can recall the preparations made for this memorable event. Over a wide range of years the planning of these new and modern structures has been envisioned. Under the able leadership of Dr. Elmer H. Garinger, the superintendent of the Charlotte City Schools, this dream has become a reality.

When the 1955 graduates leave their alma mater, it is certain that they will carry with them a deep admiration for Dr. Garinger, a man with a quiet, simple dignity and understanding personality.

## Dr. John E. French

To Myers Park Dr. French is more than just a principal. He is the friend of every student; our advisor who always judges with an open and fair mind.

His excellent guidance has led Myers Park through the first four years of its existence—years of planning and organization. Dr. French worked untiringly to make this school the best in the city during those years.

To him in numerous ways unmentioned we owe our gratitude and many thanks.

Miss Frances M. Gunter  
Girls' Advisor

Patience . . . friendliness . . . kindness . . . These are some of the traits of our counselors who always are ready to lend their aid to anyone with a problem. Changing schedules, sending out the daily bulletin and the week's calendar are only a few of the many jobs they willingly perform.

We want them to know how much we appreciate their guidance by saying a sincere thank you on behalf of all the students.

The rainy hikes—the sunny ones, too—from S C to P to M B—“daggers” in English and “x’s” in Algebra—chemistry parties the night before—waiting for that clock to hit the 3:15 mark—the end of one more “blue” Monday. Yet every day spent in class was one more step toward achieving maturity. “We trod our ways”—we learned—now we appreciate.

# activities

Our energetic traffic boys—those artistic cafeteria signs—assemblies twice a month —“Way Down Yonder In New Orleans”—advantages and disadvantages of a point system—carnival prizes—and finally, graduation. All this made possible the many wonderful memories we have of our youth—the sincere, true friends we met—the “honor and praise” we will always feel for our Alma Mater.

"Everyone seems satisfied . . . Connie still wonders."

"Okay, you people, let's get to work; we've got a February 15th deadline to meet.

"Larry, will you stop goofing off and count that money? We're sixty-three dollars short!

"Elliott!!! Have you planned your tennis picture yet? I bet you never did get that picture of Burwell. I want those write-ups typed by tomorrow! What about those football action shots? Don't blame it on Jimmy again . . . Now get to work; Tucker's way ahead of you!

"Have all the glossy pictures of the students been identified yet, Ann? Those seventh graders; they all look alike. I know there couldn't be a person by this name, Ann; it's ridiculous! Well, stick the boy's picture somewhere; we'll worry about it when we have to!

"Ann Merritt, Joan, you'll have to go look these people up in the files to see if they really exist; we've got to know!

"How many 'find-outs' have you found out, Betsy? The French Club hasn't even been organized yet? **Why** can't we get pictures of the band and orchestra until February? Mr. Eller said what? He'd sabotage the annual room if we didn't put a picture of his Engineer's Club in this year's annual? Why can't things ever go right?

"All right, Marilyn, tell me that you haven't even received an answer from anyone to judge our beauties. Oh, no! You really haven't?

"How is your section coming along, Jean? How do I know what comes first, Mac's or the Mc's? Get Lucretia to help you type.

"Sally!!! If you don't get your envelopes marked right this time, I'll **really** get mad!

## *"Shout 'Hallelujah' The Mustang's Finished—"*

"Carolyn, help Ann identify; go over the opening section; you've got to get a graduation picture; get all the editorials . . .

"Just wait until I get my hands on that Jimmy Lee! He owes us pictures from last spring. Why can't he be like Skipper? Now there's a good little photographer for you!

"Morry, did we ever meet our quota in ads? Mary Jane has the books? Well, where is she? That section is due at the press in a week!

"Oh, Miss Curry! I'm going mad! The only thing I think I've accomplished this year is an ulcer!"

And that's the way it goes around the annual room, day in and day out. If you don't believe me, just ask any one of the staff members. There is always that constant buzz in the library (Miss Phifer and Miss Tucker seem to think it more a roar, however); and everyone is running around, bumping into one another, screaming our favorite expression, "panic"! These are just a few of the many daily occurrences which we, the Mustang staff, experienced during fourth period this year. All of us have certain things we shall remember above everything else. I know I, as editor, have many wonderful memories of putting out the 1955 MUSTANG: how patient everyone was with me when I lost my temper, which was much too often; the way the whole staff pitched in and really worked to make our annual the best one Myers Park had ever seen; the many long hours Mr. Mitchell spent here at Myers Park working with us in the annual room; and most of all how understanding Miss Curry always was throughout the everlasting confusion; we could never have done anything without her guidance . . . all these memories I shall cherish as I look through the 1955 MUSTANG in the years to come.

## key club

*"All The Kings Men"*

"Everybody going to Winston-Salem Saturday night on the Key Club bus has to sign up in the student affairs office by 3:15 today."

One of the Key Clubbers is on the job up to the last minute, announcing in the cafeteria during lunch the last minute details about the chartered buses.

"Buy your Key Club Directory in the book store for only 15¢."

The bulletin is carrying another announcement about the Key Club's service to our school.

"Masquerade Ball—sponsored by the Key Club—March 19."

A big poster tells us about a money-making project of the service club.

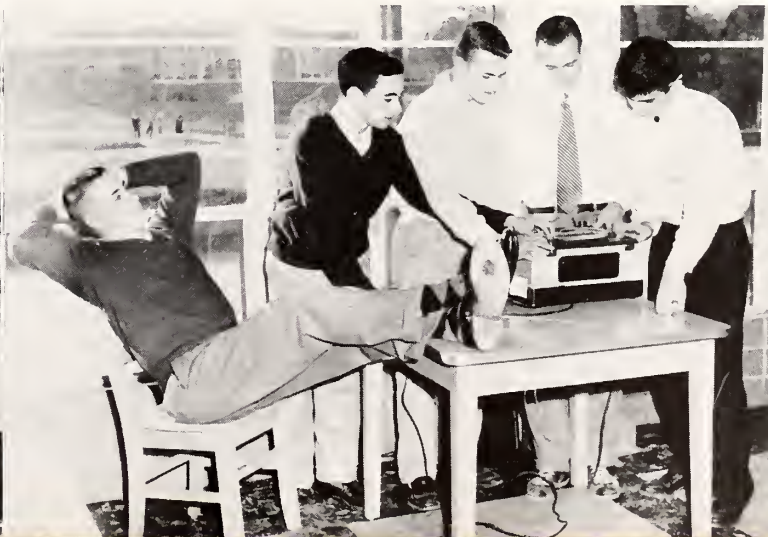

To make Myers Park a better place is their aim. Under the guidance of Mr. A. B. Purcell and a group of Kiwanis advisors, this organization has undertaken and successfully completed many services for our school. Members are chosen on the basis of points earned in the fields of scholarship, leadership, and character.

The students say "thanks" to the Key Clubbers for unselfishly giving their time for us and our school.

Symbolizing the name of their club are Key Club members: Herman Kissiah, Waady Burns, Hugh Campbell, Elliott Schwartz, Larry Stell, Jahn Kuykendall, Randy Bigger, Tam Knight, David Pearsall, Douglas Stewart, Verner Stanley, Tammy Cardle, Jahn Staffard, Chuck Nisbet, Jae Narman, Walter Scott, Roy Bradley, Gary Heeseman, Manfred Emmrich, Jae Wearn, Marry Jahrestan, Jimmy Lee, Henry Willard, Jerry Clark, Burwell Share.

"You'd never guess that out of these brilliant minds came Myers Park's Key Club Directory."

Key Club President Jahn Kuykendall enjoys a rest while Vice-President Herman Kissiah, Secretary Bruce Skidmare, Advisor Mr. Gus Purcell, and Treasurer Elliott Schwartz set up "luncheon music" for the cafeteria.

## 'Spark Announces Plans For Third Spring Carnival

Myers Park's third annual school wide Spring Carnival, complete with all the variety shows, booth games, prizes and contests will be held Saturday, April 24 from noon until 12 midnight. April 24 has been chosen as the possible rain date.

During the school year there has been much discussion pro and con among the senior class concerning senior privileges. Many of the senior class have expressed their belief that they began to feel that they were being treated as second class citizens.

Because of this staff of the Myers Park High School is planning a Spring Carnival. The staff of the Myers Park High School is planning a Spring Carnival. The staff of the Myers Park High School is planning a Spring Carnival.

## Band And Orchestra Present Second Concert Tonight, 8 P.M.

Classical Program At MP Elementary

The band and orchestra will perform a variety of musical entertainment for everyone, tonight. The band and orchestra present their second semester concert at Myers Park elementary school. The program includes popular, classical, and semi-classical music, under the direction of Mr. Julian Helms.

Tickets can be purchased from any member of the band or orchestra, or at the door tonight. The band and orchestra will perform separately.

Included in the numbers to be presented by the Orchestra are "Mowis," by Harold Johnson, "Overture to the Opera Iphigenia Aulis," by Henry Gluck, and "Nocturne," by Carl Setex. Lillian will be violin soloist in John's "First Movement to the Concerto."

Myers Park Band will appear in a variety of such rousing "Scenes from the Sierras," by Bennett, "Orlando Pines," by Joseph C. Hayden, "The Rhapsody," by John, "The Hot Car," by Nero, "Ampanito," by the band, and "The classic vic."

The success of the night will determine the possibility of a future concert with the National Honor Society.

## U. S. Celebrates Brotherhood

February 21-28 has been designated Brotherhood Week, one of the great national celebrations. It is a patriotic way of celebrating the importance of brotherhood.

The importance of Brotherhood Week is to bring together the members of the community. It is a time to celebrate the values of brotherhood and to work together for the betterment of our community.

Brotherhood Week is a time to celebrate the values of brotherhood and to work together for the betterment of our community. It is a time to bring together the members of the community and to work together for the betterment of our community.

"Oystein is put through the third degree by Mary Jane Mayhew (Class Editor)."

"Admiring their finished product are Miss Hope Smith (Advisor), Kay Jahansen and Betty Barrett (Co-Editors)."

"This'll be great for the 'Spark,' says Assistant Sports Editor Tommy Guiles, as Sports Editor Bobby Page takes notes on a winning touchdown."

Lillian Foster Duoy Stewart  
CONNIE LUCAS: "I think seniors should have privileges, but I agree that if too much is given, too much more will be wanted. I think it will be soon as the ploted."

## Students To Preview Psychology Film Soon

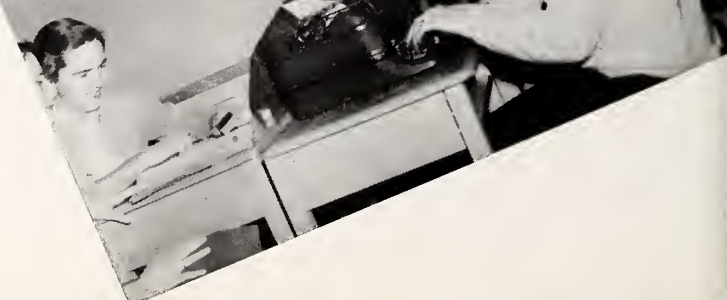

Myers Park will soon be the site of a world premiere. "Going Steady," filmed by Mr. Tom West's psychology class, is nearing completion.

The script was written and edited by the psychology class. Annette Shaw, Norby Farrester, Bob Gesoff, Rita Parrish, Lawrence Burton, Nancy Burton, Carolyn York, Buzzy Basinger, Ann Wearo, and Phyllis Winters have leading roles in the production.

The film, produced by Jane D. ten and directed by Buzzy Basinger, discusses the pros and cons of going steady. It will be shown as the first film of the year.

"The big wheels search for ideas to start the 'Spark rolling on their latest issue."

Reading left to right: Maralee MacAleer (Business Manager), Margaret Martin (Advertising Manager), June-Tweed Share (Rewrite Editor), Jane Plott (News Editor), Dorla Burke (Exchange Editor), Craig Gibbons (Circulation Manager)

## *"We've Been Working on the 'Myerspark'—"*

Amid the milling confusion of busy typewriters and voices shouting directions, familiar cries issue forth from the back office of the Myers-Spark.

Co-editors, Betty Barrett and Kay Johansen, best of all at shouting above the crowd, are heard saying: "But the makeup doesn't look right. There isn't any pyramid."

Chucking a story in the remaining space, Kay philosophizes: "Too bad, it's the only story we've got!"

In the hassle of last minute make-up problems among the editors, Margaret Martin, efficiency expert—alias advertising manager—pipes up, "I'm all finished. Aren't you-all?"

Rising with the gleam of murder in her eyes, Maralee MacAleer rushes in, "Now just calm down, everybody. Calm down." (You should see her when no ads come in!)

Bobby Page, sports editor, slams down his sports copy. "How come you all get the back page? I got plenty of copy to fill it. This is the worst organization I've ever seen. Any man could run this paper right !!!"

Now you see the calm, serene efficiency that makes up your Myers-Spark staff. Through the grumbles (and sometimes compliments) the staff has strived very hard to please you, the students.

"Photographer Jimmy Lee develops his own picture."

"Got an idea? O.K. reporters, put it down for the next edition."

Reading left to right: First row: Eleanor Allen, Mory Elizabeth Spoon, Sondro Goodman, Nency

Cheshire, Ann Henderson, Ken Oliver, Joe Soldoti.

Second row: Judy Matthews, Ann Pock, Cynthia Hyott, Beverly Foord, Nell Archer, Nancy Potten.

Third row: Horry Pearson, Buddy Brouch, Betsy Wilson.

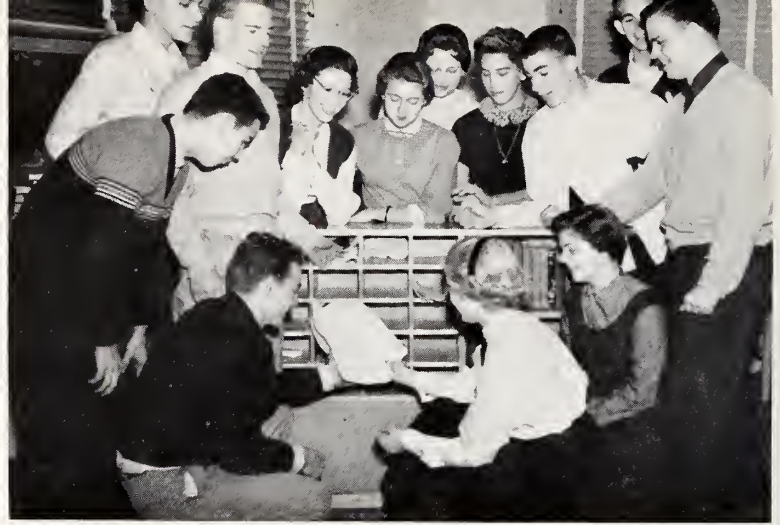

Standing: Manley Springs.

Admiring the new stationery to be sold by the Student Council are officers: Gary Heese-man (Treasurer), Waady Burns (President), Helen Christian (Secretary), Manfred Emmrich (Vice-President).

"Are there any suggestions as to how we could solve this problem?" Eager homeroom representatives are full of ideas." Foreground: Officers. Reading left to right: Margaret Galdsborough, Ray Bradley, Tammy Guiles, Dan Litaker,

"Student Council committee chairmen check their boxes in the student affairs office for fan mail."

Reading left to right: Kneeling: Butch Farabaw, Betsy Smith, Lillian Faate.

Standing: Tammy Cardle, John Stafford, Hugh Campbell, Susan Purser, Mary Jane Mayhew, Myrna Smith, Linda Walker, Larry Stell, Bab Huffaker, Burwell Share.

# student council

## *"Pomp and Circumstance"*

"Why can't the Student Council have more authority around this school?" . . . A familiar complaint heard at every Student Council meeting.

"All right, I know we've been through this before, but WHY can't we go to the drugstore for lunch?" . . .

Peggy Bradford, Catherine Cline, Bobby Janes, Herman Kissiah, Leighton McGinn, Larry Rogers, Pat Gregory, Paul Biggers, Helen Greene, Wardie Abernethy, Suzanne Rass, Ruth Dawdy, Cannie Bernstein, Ann Hendersan, Bette Hunt.

"Carroll conducts a typical meeting of the junior high Student Council."

Fareground: Officers. Reading left to right:

Seated: Miss Janes (Advisor), Jaanne Cooper, Linda Martin, Mary Richard Chambers, Jayce Jahnsan, Bab Cardle, Harrisan Welfard, Graham Allisan, Laura Kissiah, Martha Ellen Mansfield, Marshall

Basinger, Vance Cachran, Tam Moore, Sally McKaig, Sandra Summer-ville, Bab Myer, Luis Anastes, Skipper Watwaad, Charles Pawell, Bill Messerly.

Seated on floor: Sandra Stellings, Manie Arga, Patricia Caak, Tisha Smith, Roma Warnall.

Trying to please the students . . . this is the main purpose of Myers Park's two Student Councils—junior high and senior high.

Composed of homeroom representatives and committee chairmen, the council works to promote understanding and co-operation within the student body.

Outstanding among the accomplishments of the senior high Council were the sponsoring of the Homecoming, Christmas, and Valentine Dances, the founding of a scholarship, and the publishing of a school handbook.

The junior high Council initiated the junior high Honor Society and improved conduct in the cafeteria.

Together the two groups rendered a great service—that of uniting the students as a body to work for the betterment of our school.

"Making plans for the junior high school's Christmas dance are Student Council officers David Underwaad (Vice-President), Carrall Ragers (President), Jeannie Glasgow (Secretary)."

"Members of the newly formed junior high Honor Society are sworn in by Mr. Whetstone."

Leadership, Scholarship, Character, Service—these are the qualities for which the Honor Society stands. By having these qualities fulfilled in each of its members, the Honor Society hopes to set an example and goal for each student of Myers Park to strive to attain.

No one can forget the impressive ceremony of tapping new members, the gold bonnets and yellow flowers, the solemn oath, the congratulations after it is all over. These new members, along with the old, strive to follow the high ideals set for them.

This year the Honor Society sponsored College Day for the juniors and seniors, helped with the topping ceremonies for the new junior high Honor Society, and worked at setting up a point system for the school. The members have also coached in their spare time to earn money for a scholarship to be presented to an outstanding senior of the end of this year.

Then in spring came the topping of more new members; this time the first juniors were chosen, those who are to carry on the tradition of the Honor Society next year.

*"I've Got That Joy, Joy, Joy -"*

Galatians 5:13: "by love serve one another."

Uniting in the name of Christ to serve their school, community, and world, members of the Bible Club try to follow the club motto, "Serving others loyally." The regular, inspirational meetings, retreats, daily prayer meetings, and assemblies, open to all students, have offered many opportunities for Christian growth and fellowship. In addition, it has given financial and spiritual aid to welfare groups and mission fields, as well as to various community organizations. The club members believe that they can best serve God by helping those around them.

*"I Am Just A Little Girl"*

"Members and models of the ninth grade Y-Teen pose after their fashion show."

The aim of every good Y-Teen is to reach Ambassador heaven. Banded together in serving the community, the girls in this club make full use of their time and talents.

Receiving points for each service project, volunteer job, or school-supporting action, the most industrious of these girls will be selected for membership in the Girl Ambassadors Club.

The Y-Teens, because of its large size, has been divided into three sections. Supporting the United Nations, the eighth grade club provided a successful recreation program on Halloween night. After exerting all available artistic talent, the selling of hand-made Christmas cards high-lighted the ninth grade program. The well-known project of the sophomores was giving presents they would normally have exchanged with one another to the less fortunate.

Joining together in the poppy sale for Disabled Veterans and clothes drive for the Red Cross, these service clubs have done, perhaps, their very best job in giving Myers Park a truly worthy name in the community.

*"The Old Master Painter . . ."*

"Hey, Charlotte, throw me that paint brush, will you?"

Such comments as this often punctuate the regular business at a meeting of the Art Club. Sketching, going on field trips, or discussing subjects related to art are the usual activities of the "Palletteers," or club members.

But, not interested in "all work and no play," the club has sponsored a school seal which was completed this year. The organization also adds color and beauty to the school with many original art displays.

Anyone who has talent, makes an original piece of art work, and is willing to further interest in art at Myers Park is qualified for membership.

# limelighters

## "Stairway To The Stars"

This year at Myers Park a new dramatics club was formed. After naming themselves the "Limelighters," this group set to work with big plans for the year. There were many organizational difficulties, and these budding dramatists soon found that they had to write a constitution and establish the club before they could do what they all wanted—produce a play.

Finally, however, this dream became a reality. Their major production of the year, "Angel Street" was given in the latter part of February in the school's own "Little Theater." After this tremendous success, the members of the club began to make bigger and better plans for the coming year.

In future years the 'Limelighters' hope to encourage and develop interest in all forms of drama at Myers Park and provide an opportunity for students to receive training by actual participation in dramatic art.

Distributive education, now in its second year at Myers Park, offers students a chance to "earn while they learn."

Under the direction of Miss Ruth Burdette, the Myers Park DE Club, made up of nineteen members, helps students realize the possibilities in the business world.

By studying various types of work and attending special DE conventions, in addition to working part-time, these students are given a chance to understand the type of work they will enter.

*"With A Song In My Heart"*

"Will I have to sing a solo?" many prospective members of the all girl chorus have asked with fear and trembling. But, in spite of this mighty obstacle, enough brave souls were found to form the first all girl chorus in Myers Park's short history.

This chorus participated along with the band and orchestra, in the annual Christmas concert. The girls also sang for the Christmas meeting of the P. T. A. and presented several spring programs for school service clubs.

With a song and a smile, each chorus member contributed her part to the musical program at Myers Park.

*"Mr. Helms' Ragtime Band"*

"C'mon, buy a ticket to our spring concert. It's really gonna' be terrific!"

If you've ever met an enthusiastic band member, these words are nothing new. Their support has good foundation, for the Myers Park Band has attained a superior rating for three years at the State Music Festival.

The band has, perhaps, done more to help unify the school than any other organization—the warm reception received at football games and enthusiastic applause at the close of a concert are positive proof of this.

Activities of the band are numerous and varied. This group of musicians represent our school at football games, assemblies, and civic and religious functions, making some thirty-five public appearances during the year.

The Myers Park band has made for itself and for the school a name which will always leave a deep feeling of pride in the hearts of all students.

Once a month a group of Myers Park students put aside their books and look at things "from the other side of the desk." They call themselves "future teachers."

Discussion groups, panels, and speakers have given the members of the FTA a better understanding of their chosen profession, whether it be in the field of teaching or related work.

Believing that "Knowledge is Power," the FTA is striving to do its part to spread a desire for that knowledge at Myers Park.

## *"Night Train"*

In the fall of this year a new club was formed at Myers Park, a new type of club for Charlotte as well as for the school. This "pioneer," the Myers Park Junior Engineers Club, seeks to promote in our school the profession of engineering and to give students interested in it as a vocation an opportunity to find just what it contains.

The members of the club meet twice a month and also attend meeting of the Charlotte Engineers Club.

In order to help promote interest in engineering, the Charlotte Engineers Club recently donated a large sum of money to the Myers Park Club to be used for equipping the Science Department.

This is surely the first good year in a succession of fruitful years for a group of young people who want to know more about the broad and interesting subject of engineering.

You have to practice until you're so sore you can't sit down; but the important thing is that you have to feel a deep loyalty and love to your school and classmates. So when you see these nine girls, dressed in their kelly green and white, yelling with all their hearts, you can feel mighty proud that they represent Myers Park.

The '55 Mustangs, although lacking an impressive "won-lost" record, thrilled spectators in games against top-notch competition across the state. In the Greater Charlotte AA Conference, however, Myers Park came in second, the best accomplishment of her four-year football history. Two new-comers joined Coach Purcell to make up the coaching staff, Offensive Line Coach Johnny Guiton and Defensive Line Coach Jack Sink.

Three trips were taken by the team this year, one to Davidson, Monroe, and Winston-Salem. The first was the opening game when North was downed 27-6. The Mustangs met defeat at the hands of Monroe and Winston-Salem Gray, the last two games of the season. The battle at Monroe provided a thrilling first half with the Mustangs ahead at its close. A series of end runs in the final two periods, however, proved to be the "straw that broke the Mustang's back." The season ended with an exciting game against Gray in Winston-Salem when the opponent managed to score early in the first period, and from then to the final gun, it was a contest of defense. Paul Biggers was elected "Lineman of the Week" for his outstanding defensive play.

One non-home game was played in Charlotte, when the Mustangs were the guests of a powerful

Harding team. After holding their own in the first half, Myers Park gave in to the superior strength and reserves of their city rival.

The Mustangs entertained six teams this year, five of them at Memorial Stadium and one at Griffith Park. The latter was their Homecoming contest, which ended in a 13-13 tie with a highly-spirited Mooresville team. Their opening game in the stadium was with Reidsville, a team which finished the season undefeated and won the state AA Championship. After leading through the first half, the "second half blues" allowed the visitors to score twice on long runs. The Mustangs finished on the short end of a 26-14 score. John Black was voted "Outstanding Back of the Week" for his fine work in this game. The

following week the Mustangs downed East 20-7, a game highlighted by excellent running and blocking. After falling to Harding, the team defeated Hanes of Winston-Salem 19-13 on October 9. Because of his outstanding line play against Hanes, Burwell Shore was picked "Lineman of the Week" by The Charlotte Observer. The next week, Myers Park routed West 26-0, a guarantee for second place in the GCAA. The last game in the stadium was a 26-0 loss to a strong Albemarle eleven.

The feature of the '54-'55 squad was David Busbin, all-city halfback who led this area in scoring and rushing. This year thirty-five boys won monograms; of this number twenty-one were seniors, nine juniors, and five sophomores.

# Come Marching In”

“Mooney heads for paydirt.”

After a city championship in 1953, the Colts this year were a bit weaker due to the loss of the entire first string. They turned in a record of one win, three losses, and two ties. Led by Coach Tom Braaten for the second year, the Colts showed determination and spirit in all of their games.

The Junior Mustangs opened their schedule at Richard Field in October with Harding. Although the game ended in a 6-6 tie, it was their best showing of the year.

For the second consecutive year the Myers Park-Alexander Graham tilt turned out to be a hard-fought 13-13 tie. Still unable to break into the winning column, the Colts tasted defeat at the hands of Piedmont, 20-7 in the last of October.

Stopping their downward skid, the Colts overpowered Hawthorne by a 31-0 count. The Ramlets of Harding turned out the light of a city championship for the Colts by rolling over them 20-7. The Junior Mustangs closed their season in November with their second loss of the season to Piedmont by a 19-6 score.

## basketball conference champs

"Braswell goes up for two."

The 1955 Mustang basketball team, coached by George Powell, brought Myers Park its first championship by winning the Greater Charlotte AA championship with a 7-1 conference record.

Led by co-captain, John Stafford and Bobby McClure, the one-two scoring punch, and Mike Braswell, the speedy playmaker, the team started slowly. They dropped the first five games to Central, Gastonia, Albemarle, Columbia, and Gastonia a second time, although the AAA Gastonia had to go all out to shade the Greenies in the last minute.

The squad picked up speed in beating Albemarle, and after a loss to Spartanburg, Coach Powell's boys won three in a row as Ken Owen began finding the range and John Eddie Hill's play improved. After losing to Central, the Mustangs took Harding, West, East, North, and Wadesboro before being upset by West and losing to Spartanburg.

On February 22 an overflow crowd of thirteen hundred (1300) watched the Mustangs, tied with Harding for the conference lead, decisively defeat the Rcms for Myers Park's first championship.

The Mustangs placed John Stafford on the all city-county team, while McClure was a second team selection. Stafford led the scoring, closely followed by McClure and Owen. Hill, Braswell, and Conrad picked up a majority of the remaining points. Hill and Braswell, two of the most underrated players in the city, led the team on defense, while Braswell teamed with Stafford and McClure to lead the playmaking.

The bench, headed by Black and Conrad, turned in sterling performances in the clutch. This season has established Myers Park as one of the AA basketball powers in North Carolina for years to come.

# "Glow, Little 'Mustang', Glimmer Glimmer!"

The 1954 Junior High cagers and their brand new coach, Johnny Guiton, hit it off like next-door neighbors; and together they went ahead to win the city championship. The Colts faced a ten game schedule, eight of them being conference games. The remaining two were games with Arlington Junior High of Gastonia, and the Colts managed to win only one of them. In the conference, however, the Junior Mustangs fared better by boasting a 6-2 record against rigid competition. Although they fell to Alexander Graham and Harding once, they came back later in the season to defeat the same teams. In addition to this, they rolled over Hawthorne and Piedmont twice.

The Colts boasted a versatile team with nine boys alternating on first string throughout the season. Some of these boys show great promise for the Junior Varsity or even the Varsity next year. The team was captained by Robert Summerville, also high scorer of the squad.

Possibilities for next year are very bright. The eighth grade team, led by David Underwood, Bill Wallace, and Mercer McClure, were undefeated in games with other teams.

## globe trotters

The fall of 1954 found the Mustangs of Myers Park High School producing for the first time a cross country team. Coached by Tom Braaten, these boys trained every afternoon from October through November.

Lack of high school competition found the younger Mustangs losing three and winning one. The greenies were defeated by the freshmen of the University of North Carolina, North Carolina State, and McCauley Prep School. The margin of defeat was small, however, with a difference of no more than seven points in all three losses. In their only high school meet the Mustang harriers outran the Burlington club 38-20.

Fastest of the Mustangs were Bill Van Every, Verner Stanley, Buddy Connor, Dick Gates, and Bob Powell. Completing the team were Voris Brookshire, Don McNeil, and John McAuley.

This group, under the fine leadership of Coach Braaten, began a sport at Myers Park which should prove to be a terrific success in the future.

# track *"Round and round they go"*

Coached by Tom Braaten and paced by Co-Captains Vance Houston and Kenny Foard in 1954, Myers Park's track team finished its best season. Although they started the season with defeats by Charlotte Central in a dual meet and in the city-county invitational, and a loss to Davidson's freshmen, they picked up speed, placing second to Burlington's strong team in the Queen City Relays, winning a quadrangular meet with North, East, and Rock Hill, and winning the GCAA by a wide margin. The speedsters finished their season by placing fourth in the North Carolina High School State track meet at Chapel Hill. The team scoring was led by versatile Vance Houston with sprinter Johnny Griffith, quarter-miler Gregory LeNeave and miler Bill Van Every giving ample support.

Lettering in 1954 were Ken Foard, Ernest Young, Leon Bailey, Vance Houston, Gregory LeNeave, Kenneth Green, Dick Gates, Wilson McNeary, Tony Guiles, Larry Stell, Steve Partridge, Butch Farabow, Bill Graham, Bill Van Every, Bruce Skidmore, Roy Bradley, Paul Biggers, Johnny Griffith, and Jerry Greene.

The squad plans for a better season next year with returning sprinter and shot putter Vance Houston, sprinters Johnny Griffith, and Roy Bradley and distance runners Bill Van Every, Roy Bradley, Dick Gates, Bruce Skidmore, and Buddy Connor, who will provide rough competition for other tracksters in the state. In the field events, weight man Paul Biggers and high jumper John Stafford will be back and are being counted on for consistent performances.

# tennis

*"Anything you can do, we can do better"*

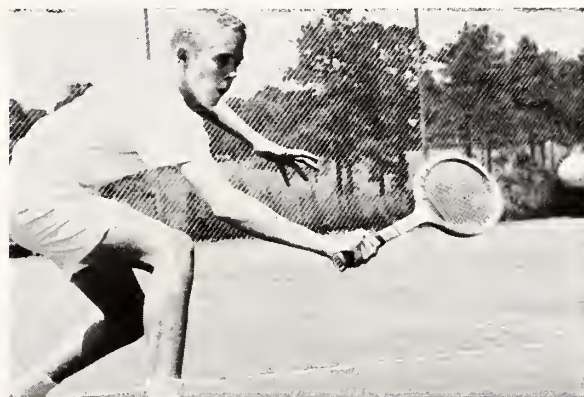

In the 1954 season, Myers Park turned out its first undefeated tennis team and in addition a state singles champion. The Mustangs copped 16 victories against no losses. Among their victims were Central High and Davidson's freshmen twice each.

At the annual state tournament in Raleigh, Myers Park made the best showing of their history. The doubles team of Jacque Macy-Tommy Bost defeated the first seeded team and reached the semi-finals. David Pearsall, however, was the real pride and joy of Myers Park. David, who is only a junior, went to Raleigh second seeded. His determination to win, plus his consistency were the big guns, and he returned home with first place in singles competition.

The team owes a great deal of its success to Coach Tom West, whose untiring efforts helped the team achieve a perfect season. The team has an unusually bright future, losing only one man, Captain David Bradford. Lettermen for the season were David Pearsall, Bob Huffaker, Jerry Clark, Finley Lee, Tommy Bost, Jacques Macy, David Bradford, Gordon Christain, Elliott Schwartz, and manager John Kuykendall. Lee and Christian received their first monogram; Pearsall, Bost, Macy, and Schwartz took two year honors; and Huffaker, Clark, and Bradford were honored for the third time.

Reading left to right: Jahn Shaw, Robert Summerville, Gary Heeseman, Tate Bowers, Mr. Sheppard (Caach), Sut Alexander, Verner Stanley, David Foirley.

Led by Captain Gene Lookabill, the Mustang golfers played twenty matches, losing only two. Highspot of the year was the 33-3 victory over the UNC freshman team.

The position of the top six men in order is: Gene Lookabill, Verner Stanley, Buzzy Basinger, Walter Summerville, Gary Heeseman, and Al Harris. Others competing were Sut Alexander, Bill Heil, Bob Oliver, and Larry Harris. The Mustang's top four golfers succeeded in capturing their third straight state championship.

The prospects for the coming season are very bright with lettermen Harris, Heeseman, Alexander, and Stanley returning plus several boys rising from Junior High.

Myers Park's junior high golf team had a fine undefeated season for 1954. They ran over every opponent with the exception of Greenville. The team started their season with a win over Piedmont by a score of 32-4. This was followed by a win over Greenville, 9-8, and another slaughter over Piedmont, 33-3.

Regular team members were Robert Summerville, John Shaw, John Brabson, and Johnny Turner.

## junior baseball

The junior high baseball team of 1954 made history by being the first to win a game since Myers Park first opened. Coached by John Pyron, the Greenies lost seven games against this lone victory.

The juniors fell to Harding, Hawthorne, and Oakhurst twice each. Highlighting the season was the win over Piedmont, with Stuart Cook and Jimmy Mooney slamming homers. Cecil Balderson and Buddy Herring, both in rare pitching form, shared the mound duties.

The Colts, with a great deal more experience under their belts, are looking forward to a better season next spring. Returning lettermen will be Jimmy Mooney and Chan Richards. Coach Purcell will assume the coaching duties.

Reading left to right: First row: Perry Turnipseed, Jimmy Peterson, Lynwood Mallard, Bill Turtellait, Bruce Murdach, Billy Wallace, Ben Gallagher, Jimmy Maaney, Buddy Herring, Bobby Stane, Narman Stewart.

After a dismal record the first year of competition, the 1954 senior high baseball team, under the capable guidance of Coach Gus Purcell, won its first games in its short diamond history.

After a stunning defeat in their opening game, the Mustangs bounced back to stun arch-rival Harding 3-2 in the best-played game of the season. The "steeds" played flawless ball afield.

After a hard-fought loss to East, 6-5, the Mustangs took West 7-4 with a tremendous last inning rally of five runs providing the margin.

The "steeds" were defeated by North, Central, and West. Then they stunned everyone by defeating Tech, 10-9, a game in which the Mustangs fought off a last inning rally to cop the victory.

They wound up the season with three wins and nine losses. Coaching duties in the coming season will be assumed by Jack Sink, who will take over the spot vacated by Gus Purcell. Made at Purcell's suggestion, the shift is the first step in equalizing coaching duties in Myers Park's rapidly-expanding athletic program.

# basketball

The senior high girls began their annual basketball practice on November twenty-ninth. Forty-five girls came out for the practices held every Monday, Thursday, and Friday.

This year twenty members were selected to play on one team. Twelve girls played on the main varsity and the others acted as substitutes.

The team played three games with both Harding and Central. The Fillies broke Harding's five-year winning streak.

Forwards for this year were: Julia Morris, Margaret Martin, Marilyn Messerly, Patsy Lineberger, Jackie McLarn, Tootsie Sheppard, Betty Boston, and Mary Catherine Jones (co-captain). Connie Lucas, Diana Ervin, Betty Barrett, and Elizabeth Glover (co-captain) were guards. The team was coached by Miss Hilda Scott.

## golf *"Swinging Down The Lane"*

At the beginning of the year a girls' golf team was formed. Each member of this team, to improve her game, took lessons every Tuesday afternoon for six weeks.

After a short inactive period, the girls again brought out their clubs as the weather began to turn warm. They held several matches, climaxing their season with an intramural tournament.

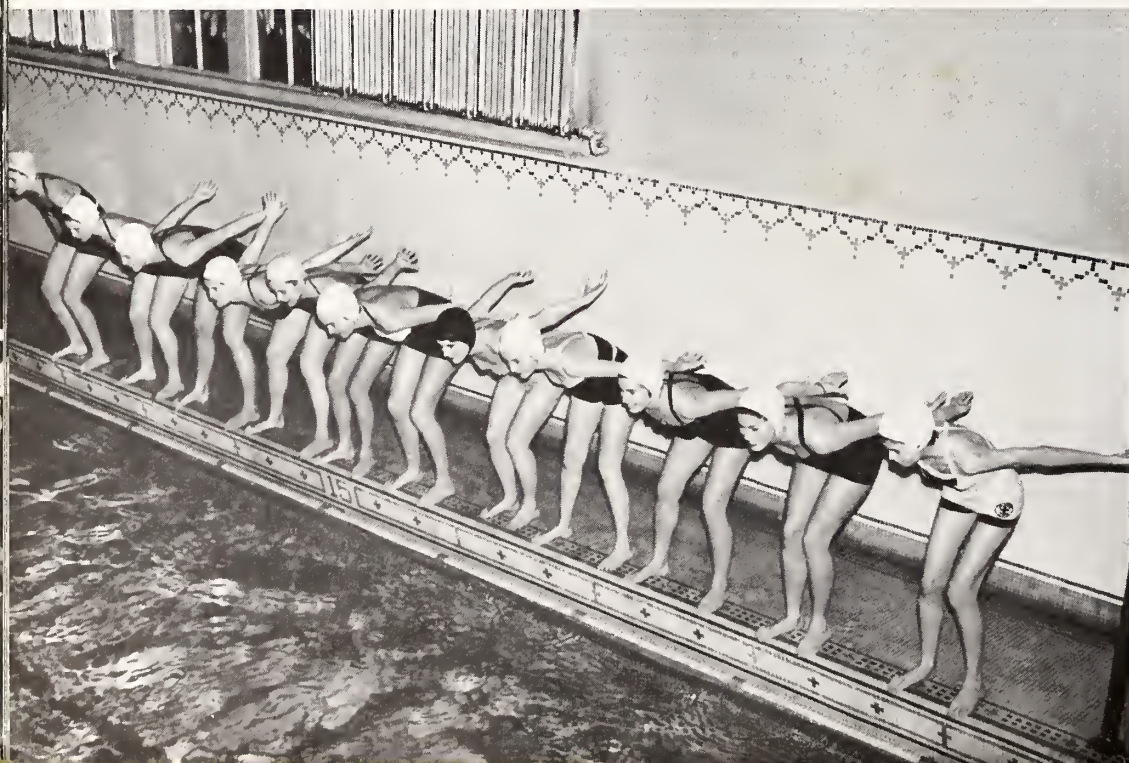

The team was composed of eight girls: Nell Archer, Suzanne Ross, Lillian Shannonhouse, Elizabeth Glover, Sandra Smith, Margaret Martin, Mary Catherine Jones, and Marilyn Messerly, with Lillian serving as captain.

## swimming *"Over The Waves"*

The girls' swimming club has played an active part in both the junior and senior high athletic programs. With Marilyn Messerly as this year's president, the organization has grown considerably since it was formed in 1952.

In October the club began working on a water ballet, called "Winter Capers." Two performances of this show were given at the Y.W.C.A. in December.

With spring the club's emphasis shifted to racing. The girls worked on their dives and swam many extra laps in order to improve their speed by one or two seconds. As the climax of their work, all girls were entered in a big meet at the "Y."

# girls athletic association

*"There Is Nothing Like a Dame"*

Variety plus! Golf, tennis, swimming, basketball, baseball, horse-shoes, and ping pong;—all were participated in by the GAA this year. Hardly a week passed that this active group of athletic-minded girls didn't have a sport planned, whether for competition or enjoyment.

"Winter Capers," a Christmas water pageant, was presented by the synchronized swimming group, who along with all the other GAA members, had spent many afternoons and nights making and selling tassels to pay for the use of the YWCA pool.

With basketball season, the girls spent three days a week in stiff drills and scrimmages to polish up their game. All their hard work was evident as they made the best showing yet against the other Charlotte school teams.

The GAA put in an active year, and their flexible and varied program shows that girl's sports are here to stay!

These boys are athletes who have lettered in a varsity sport at Myers Park. The profits realized from the sale of these drinks and other refreshments are used to purchase every athlete's first letters.

The purpose of the Monogram Club is to further interest and sportsmanship in athletics at Myers Park, although it has always been willing to aid in school service projects at all times.

## *"You're the Tops!"*

Each year the Charlotte Chapters of the Daughters of the American Revolution sponsor an election for the girl who the Senior Class elects as having excelled in dependability, service, leadership, and patriotism. This year the honor went to Sally Forte.

The Harvard Book Club presents an annual award, based on potential leadership, integrity, scholarship, and service. This award is presented to the most deserving boy chosen by the Junior Class teachers. This honor was bestowed upon John Kuykendall in his Junior year.

## harvard book and dar awards

"Up with the other stars" are John Kuykendall and Sally Forte, winners of the Harvard Book Award and DAR Award, respectively.

## junior marshals

One of the highest honors available to a Myers Park High student is to become a Junior Marshal. Excellent citizenship, leadership, character, service, and scholarship, are the qualifying characteristics. Twenty-two junior class students were chosen by their teachers and classmates to fulfill the marshal duties. They are entrusted with carrying out senior graduation activities which include ushering and leading the procession of seniors at baccalaureate service and commencement.
